ORDER INFORMATION

Return Policy: Products may be returned only under the following conditions:

- A return goods authorization number must be obtained from Kappler Customer Service. Unauthorized returns will be refused.
- The RGA # must be written clearly on the package being returned.
- Returns are subject to a 15% restocking fee and freight costs incurred.
- Only complete, unopened cases of the current product offering will be eligible for return.
- Products must be returned in resaleable condition or credit will not be issued.

Products may NOT be returned if:

- Invoice date exceeds 90 days.
- Product is obsolete, damaged or not usable.
- Product is contained in non-standard packaging.
- Product is non-stock, private-labeled or custom.

Note: The return policy applies to the return of product in the normal course of business and does not apply to returns resulting from ceasing to do business with Kappler, changes in business ownership, etc. The product return policy does not apply to returns due to circumstances created by Kappler such as shipping errors or quality control issues.

Expedites may be available at Kappler's discretion at a 30% markup, expedite fee based on the order total.

Kappler Warranty:

It is the responsibility of the user to select suits and other products which are appropriate for each intended use and which meet all legal, regulatory and health standards. Kappler is available to consult on any proposed use. For a period of 90 days after the date of invoice of any product by an authorized Kappler distributor, Kappler warrants all products to be free from defects in materials and workmanship. This Warranty shall not apply to damage or injury resulting from accident, misuse or neglect, or from alteration of any product. It is the responsibility of the user to use reasonable care in the maintenance, operation and storage of all Kappler products.

The sole and exclusive remedy of the purchaser and all users, and the limit of Kappler's liability for any and all losses, injuries or damages relating to Kappler manufactured products, shall be, at Kappler's option, the refund of the purchase price or the replacement or repair of any product found to be defective, so long as a claim for warranty adjustment is made by user within 90 days of the date the product was invoiced by an authorized Kappler distributor.

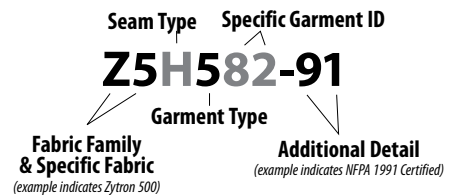

In no event shall Kappler be liable for any SPECIAL, INCIDENTAL or CONSEQUENTIAL damages, whether arising from contract, tort, warranty, representation, instruction, defects or from any other cause. KAPPLER HEREBY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. There are no warranties which extend beyond the description on the face hereof. The purchaser and all users are deemed to have accepted the terms of this Warranty, including its limitation of warranty and liability, which terms may not be varied by any verbal or written agreement.

Pricing subject to change without prior notification.

WARNING: This information is based on technical data that Kappler believes to be reliable. It is subject to revision as additional knowledge and experience are gained. The website will contain Kappler's most up-to-date product information, and customers who receive pamphlets, brochures or other literature should be aware that such "hard copy" information may not be as current as the information on Kappler's website. Customers also should recognize that there are uses, environments and chemicals for which Kappler products, garments and/or fabrics are unsuitable. It is the responsibility of the user to review available data and verify that the product, garment and/or fabric is appropriate for the intended use and meets all specified government and/or industry standards. Also, the customer should review all available information on the website to understand the uses – and limitations – on ALL products, garments and fabrics which Kappler makes available.

CAUTION: Do not use for fire protection. Avoid open flame or intense heat.

**Kappler Style
Number System**

Fabrics	Seam Types	Garment Types
PV - ProVent	S - Serged	1 - Gowns
PP - ProVent Plus	B - Bound	2 - Lab Coats
L - Lantex	H - Heat Sealed/Taped	3 - Flat Back Encapsulating Suits
D - DuraChem	N - Ultrasonic	4 - Coveralls
Z - Zytron		5 - Expanded Back Encapsulating Suits
F - Frontline		6 - Hoods, Jackets, Bib Trousers, Ensembles

Exceptions: Style number protocols vary for a few products, including Sleeves, Shoe/Boot Covers, Accessories, and ProVent Plus coveralls.

Kappler's Innovative Combo-Sizing System Reduces Inventory And Simplifies Your Selection Process.

Our garments are designed and constructed with the wearer in mind, and that includes sizing that simplifies the decision process. Typically worn over other clothing, Kappler's garments are designed so that "combination sizes" comfortably fit the vast majority of users. Plus, with only five size options (versus the normal eight), you can simplify ordering logistics and reduce inventory requirements.

Kappler garments are available in a standard range of "combination" sizes from Small/Medium to 2X/3X. Additional sizes including XS, 4X and larger are available. For more details contact Customer Service at 1-800-600-4019 or email customerservice@kappler.com.

How Kappler Got To Be Leader Of The Pack

During a challenging period in the early days of the company, founder George Kappler wanted employees to stay focused and guard against complacency. He posted a sign that said "The Wolf Is Always At The Door," and over the years the wolf became an unofficial mascot for the company. Much like the wolf itself, Kappler has overcome various threats to not only survive, but thrive. Known for its intelligence and survival instinct, the wolf also exhibits a nurturing side in taking care of the pack. For us, the pack is more than employees – it's also our customers, vendors, technical partners and many other friends. We appreciate every member of the team in our mission to "keep bad stuff off people."
